Physical Education																										24/5
Science																										28/4
Spanish																										24/5
Visual Art																										24/5
Wood Technology																										24/2

Notes:

- CBAs are part of everyday classroom practice
- Art, Home Economics and Music are portfolios that are completed over a large portion of the academic year.
- DML and PE are short courses and consist of multiple tasks and project work completed over the full year.
- SLAR Deadline is also the deadline for the finalised CBA descriptors to be decided.

2nd Year Exams:

- All subjects will hold November Exams as no subject will have CBA1 completed before exams begin.
- No subjects will hold Summer Exams as CBAs are due to be completed after November Exams.
- Frequent formative assessment and end-of-chapter tests are advised so that students do not lose focus – for some students, their Mocks in 3rd year will be their next in-house exam.
