

Bush Post Primary is now a ***Droichead*** school.

The *Droichead* process is an integrated professional induction framework for newly qualified teachers and recognises that induction is a distinct phase in the continuum of teacher education. The integrated framework included both school based and additional professional learning activities to address the needs of teachers as they begin their careers. The main objective is to support the professional learning of the NQT's during the induction phase thus laying the foundations for subsequent professional growth and learning for the next phase of their career.
