

Agreed Matters for Reporting to Staff & Parents Guardians from Board of Management Meeting 28/05/2025

1. The board members were delighted to meet the new Deputy Principal Mr. James McCoy and wished him well in his new position.
2. The board members were delighted to approve the opening of the Special Class Area which will accommodate students with additional needs from the community.
3. The board members were pleased with the decision of the NSCE to award an additional 1.5 Special Needs Assistants to the school following a recent review.
4. The school's finances were reviewed, and all budgets are in line with expectations.
5. The Board of Management were briefed on the role of the Home School Community Liaison Co-ordinator and the DEIS targets for 2024/2025
6. The board members were impressed with the array of events and activities organised by students for the local community.
7. The principal gave an update on the progress made on the school extension since the last meeting in February 2025
